TECHNICAL EXPERTISE

Combined with tailor-made services to meet our clients' needs

Global and longstanding expertise

- Assisting clients with reallocating trapped capital to business growth or dividend payment.
- Providing covers (including multi-line and multi-year) to stabilize earnings, manage unexpected cash-flows and provide budget certainty.
- Offering solutions broadening the scope of insurability.

Customized and responsive services

- Aiming to lead business in a spirit of partnership, in order to find the best cover for each client's specific situation.
- Ensuring rapid response and a high level of flexibility and availability to clients and their brokers.
- Sharing knowledge on a long-term basis by providing SCOR Campus seminars and tailor-made trainings.
