In the context of the merger of SCOR Global Life SE and SCOR Global P&C SE into SCOR SE, SCOR SE receives a branch license for its Life & Health reinsurance business in Japan

SCOR SE has received a branch license in Japan from the Financial Services Agency of Japan (FSA) for its Life & Health reinsurance business.

The branch will begin operating on April 1, 2019, replacing the current SCOR Global Life SE branch. SCOR Global Life SE Japan Branch will transfer all Life and Health reinsurance business to SCOR SE Japan Branch, on the premise of approval by the Financial Services Agency.

This is part of the finalization of the merger of SCOR's legal entities into one single legal entity, SCOR SE.

SCOR's Japanese branch will focus on delivering innovative products and underwriting, claims and risk solutions to the Life and Health insurance market (First and Third Sector product lines in Japan).
