InsureTechs

Why P&C Ventures forms partnerships with InsurTech start-ups

1. Create the “**insurers of tomorrow**” – tech-driven underwriting companies
2. Support **SCOR’s competitive advantages** as a global Tier I reinsurer with a profitable Specialty Insurance unit
3. Support **SCOR’s offer to clients**

Two insurance companies building on digital assets

The logo for HOKODO features the word in a bold, black, sans-serif font. The letter 'O' is stylized with a horizontal line above it and another below it, both in a light orange color.

“Make insurance and financing available to the millions of European SMEs left behind by today’s financial services industry.”

Single-invoice trade credit insurance

Founded 2017
Based in London & Paris

“Utilize machine intelligence to make residential real estate closings vastly more simple and efficient.”

Instant clear-to-close title insurance

Founded 2016
Based in San Francisco
