

SCOR's strength stands out clearly

"SCOR's success story continues. Over the past 15 years, the Group has overcome obstacles, faced economic and financial crises, and absorbed major natural catastrophes. Throughout this long journey, SCOR has held its course. SCOR has achieved the solvency and profitability strategic targets set out in its successive plans. It has grown, reinforced its financial strength and expanded and deepened its franchise. It has diversified its portfolio and developed a superior risk management strategy. Today, SCOR is a truly global group.

The upgrade of our rating to A+ by A.M. Best on September 1st, 2017, which follows the upgrade to AA- by S&P and Fitch in 2015 and to Aa3 by Moody's in 2016, once more demonstrates the relevance of SCOR's business strategy and confirms SCOR as a Tier 1 global reinsurer. The Group's strength is a clear benefit for our clients."
