

SCOR and its management receive two prestigious prizes, awarded by insurance and reinsurance industry professionals

The “Worldwide Reinsurance Awards”, organised each year by Insurance Day magazine, were held in London on 5 September 2012. Denis Kessler, Chairman and CEO of SCOR, was named “Industry Personality of the Year”.

At the “Insurance Insider Honours”, held in London on 6 September 2012 and organised by Insurance Insider magazine, SCOR was named “Risk Carrier of the Year”, which is the event’s most comprehensive distinction for a reinsurance company.

SCOR had already been named “Reinsurance Company of the Year” at the Reactions London Market Awards in July 2012. These distinctions, awarded by insurance and reinsurance industry professionals throughout the world, reward the performance and strategy of the Group, which notably recorded very good results in the first half 2012, and has been upgraded to “A+” or equivalent by all of the rating agencies over the past few months.

Denis Kessler, Chairman and CEO of SCOR, comments: *“I would like to thank the professionals of the insurance and reinsurance industries for giving us these awards. They constitute further recognition of the skills and dynamism of an entire Group and its teams. They also salute SCOR’s ability to achieve the objectives set by its strategic plan “Strong Momentum V1.1”, which were reaffirmed again yesterday at our Investors’ Day 2012.”*

Forward-looking statements

SCOR does not communicate "profit forecasts" in the sense of Article 2 of (EC) Regulation n°809/2004 of the European Commission. Thus, any forward-looking statements contained in this communication should not be held as corresponding to such profit forecasts. Information in this communication may include "forward-looking statements", including but not limited to statements that are predictions of or indicate future events, trends, plans or objectives, based on certain assumptions and include any statement which does not directly relate to a historical fact or current fact. Forward-looking statements are typically identified by words or phrases such as, without limitation, "anticipate", "assume", "believe", "continue", "estimate", "expect", "foresee", "intend", "may increase" and "may fluctuate" and similar expressions or by future or conditional verbs such as, without limitations, "will", "should", "would" and "could." Undue reliance should not be placed on such statements, because, by their nature, they are subject to known and unknown risks, uncertainties and other factors, which may cause actual results, on the one hand, to differ from any results expressed or implied by the present communication, on the other hand.

Please refer to SCOR's Document de référence filed with the AMF on 8 March 2012 under number D.12-0140 (the "Document de référence"), for a description of certain important factors, risks and uncertainties that may affect the business of the SCOR Group. As a result of the extreme and unprecedented volatility and disruption of the current global financial crisis, SCOR is exposed to significant financial, capital market and other risks, including movements in interest rates, credit spreads, equity prices, and currency movements, changes in rating agency policies or practices, and the lowering or loss of financial strength or other ratings.
