

SCOR Global Investments strengthens its teams with four new appointments

SCOR Global Investments (SCOR GI), SCOR's asset management company, strengthens its teams with the arrival of a Head of Marketing, a Reporting & Business Support Manager, a Senior Credit Analyst and an Insurance-Linked Securities Risk Manager. These appointments are part of SCOR GI's expansion of its third party client business.

Nadège Picharles, 39, joins SCOR GI as **Head of Marketing** in the Sales & Marketing team. Nadège is in charge of supporting and assisting the development of third party asset management business, strengthening the company's image and marketing the third party asset management offering. Having begun her career at AXA IM, Nadège developed the marketing unit of Lyxor AM. In 2011, she was appointed Marketing and Communications Director at Russell Investments France. Nadège is a graduate of the ESG Management School group in Paris.

Samiye Durmaz, 43, joins SCOR GI as **Reporting & Business Support Manager**. Samiye is notably in charge of supporting the development of SGI's business by tailoring services and reporting to the needs of a demanding corporate clientele. After working at Merrill Lynch Capital Markets, where she was Fixed Income Back Office Manager, and at Société Générale as a Management Controller, Samiye was Business Support Director at Blackrock IM in Paris. She holds a *DESS (Master II)* from IAE Caen in Banking and Financial Market Law and Economics.

Pierre Toussaint, 32, joins SCOR GI's Credit Management team as a **Senior Credit Analyst** dedicated to high yield bonds and leveraged loans. His field of expertise covers chemicals, services, leisure and energy. Before joining SCOR GI, Pierre spent seven years in the Acquisition & Restructuring Finance team at BNP Paribas in Paris. He holds a Master's in Corporate Finance from Paris Dauphine University.

Edern Le Roux, 28, joins SCOR GI's Risk and Control team as an **Insurance-Linked-Securities (ILS) Risk Manager**. He is notably in charge of ILS risk analysis and modelling. Before joining SCOR GI, Edern spent 5 years at AXA Group Risk Management as a Senior CAT and Reinsurance Analyst. He was in charge of providing research and modelling support to the AXA IM ILS fund team. Edern is an actuary and holds a Master's in Probability and Statistics from the Pierre & Marie Curie University (Paris).
