3. Objectives of the 2012-2013 Share Buyback Program

The purchases and sales of SCOR SE Shares within the framework of the 2012-2013 Share Buyback Program may be carried out for all purposes allowed or that may be authorized by the laws and regulations in force, and in particular towards the following objectives, corresponding to the provisions of European Commission Regulation No. 2273/2003 of December 22, 2003 or to market practices allowed by the French Financial Markets Authority:

Authorized objective	For the New Shares
1. provision of liquidity on the secondary market of the Company's Shares by an investment service provider through a liquidity contract in accordance with a code of practice recognized by the French Financial Markets Authority	yes
2. setting-up, implementation or hedging of any stock option plans, other plans for allocation of Shares and, generally, any form of allocation to employees and/or corporate officers (<i>mandataires sociaux</i>) of the Company and/or of affiliated companies, including hedging of any Company stock option plan pursuant to the provisions of Articles L. 225-177 et seq. of the French Commercial Code, allocation of Company Shares at no cost in the context of the provisions of Articles L. 225-197-1 et seq. of the French Commercial Code, allocation of Company Shares as participation in profits generated by the expansion of business (<i>participation aux fruits de l'expansion de l'entreprise</i>) or allocation or transfer of Company shares within the framework of any employee savings plan (<i>plan d'épargne salariale</i>), in particular in the context of the provisions of Articles L. 3321-1 et seq., and L. 3332-1 et seq., of the French Labor Code	yes
3. acquisition of Company Shares for retention and subsequent remittance in exchange or as payment, in particular in the context of financial or external growth transactions, without exceeding the limit set by paragraph 6 of Article L. 225-209 of the French	yes

Commercial Code in the context of a merger, spin-off or contribution

4.	to respect all obligations linked to the issuance of securities granting access to capital	yes
5.	cancellation of any Shares repurchased, within the limits established by law, in the context of a reduction in share capital approved or authorized by the shareholders.	yes

4. Maximum share of the capital, maximum number, characteristics and maximum buyback price of the securities concerned

Securities concerned: SCOR SE ordinary shares listed on the Eurolist market of NYSE-Euronext Paris under the code ISIN FR0000130304.

The maximum purchase price is set at EUR 30 (thirty euros) per Share (acquisition costs excluded) ; on an indicative basis, in pursuance of Article R. 225-151 of the French Commercial Code, on the basis of the share capital as of May 3rd, 2012, the theoretical maximum amount allocated to the share buy-back program in application of this resolution reaches five hundred seventy-six million, one hundred seventy-six thousand, seven hundred three euros (EUR 576,176,703) (excluding acquisition fees).

In case of capital increase by incorporation of reserves and free allocation of Shares, and in case of splitting or regrouping of shares, this maximum price will be adjusted by a multiplication factor equal to the relation between the number of securities comprising the capital prior to the operation and such number after the operation.

The Shareholders' General Meeting of May 3rd, 2012 set the maximum number of shares able to be bought back within the framework of the 2012-2013 Share Buyback Program at 10% of the share capital as of the date of such purchases, it being specified that a) when the Shares are purchased to enhance liquidity of Shares in accordance with the conditions set forth in the General Regulation of the French Financial Markets Authority, the number of Shares taken into account for the calculation of the 10% limit shall correspond to the number of Shares purchased, after deduction of the number of Shares resold during the period covered by the authorization, and b) the number of treasury Shares shall be taken into account so that the Company never holds Shares in excess of 10% of its share capital.

The acquisition, sale or transfer of Shares may be effected, under the conditions authorized by the stock exchange authorities, by any means, on a regulated market, on a multilateral trading facility, via a systematic internalizer or by mutual agreement, including, in particular, by the acquisition or sale of blocks, by the use of derivative financial instruments, listed on a regulated stock exchange or by mutual agreement, or by the implementation of optional strategies and, if applicable, by any third party authorized for such purpose by the Company.

Such transactions may be effected at any time except during a public offering period, in accordance with applicable regulations.

5. Duration of the 2012-2013 Share Buyback Program

The Shareholders' General Meeting held on May 3rd, 2012 authorized the Company's Board of Directors, with the power to subdelegate, to carry out transactions on its own Shares for a duration ending on the next Annual General Meeting of the Shareholders convened to approve the financial statements ended December 31, 2012 which will in no event exceed a maximum period of eighteen (18) months from the date of such authorization. The 2012-2013 Share Buyback Program will have the same duration as the authorization granted by the General Meeting to the Board of Directors.

Forward-looking statements

SCOR does not communicate "profit forecasts" in the sense of Article 2 of (EC) Regulation n°809/2004 of the European Commission. Thus, any forward-looking statements contained in this communication should not be held as corresponding to such profit forecasts. Information in this communication may include "forward-looking statements", including but not limited to statements that are predictions of or indicate future events, trends, plans or objectives, based on certain assumptions and include any statement which does not directly relate to a historical fact or current fact. Forward-looking statements are typically identified by words or phrases such as, without limitation, "anticipate", "assume", "believe", "continue", "estimate", "expect", "foresee", "intend", "may increase" and "may fluctuate" and similar expressions or by future or conditional verbs such as, without limitations, "will", "should", "would" and "could." Undue reliance should not be placed on such statements, because, by their nature, they are subject to known and unknown risks, uncertainties and other factors, which may cause actual results, on the one hand, to differ from any results expressed or implied by the present communication, on the other hand.

Please refer to SCOR's Document de référence filed with the AMF on 8 March 2012 under number D.12-0140 (the "Document de référence"), for a description of certain important factors, risks and uncertainties that may affect the business of the SCOR Group. As a result of the extreme and unprecedented volatility and disruption of the current global financial crisis, SCOR is exposed to significant financial, capital market and other risks, including movements in interest rates, credit spreads, equity prices, and currency movements, changes in rating agency policies or practices, and the lowering or loss of financial strength or other ratings.

The Group's financial information is prepared on the basis of IFRS and interpretations issued and approved by the European Union. This financial information does not constitute a set of financial statements for an interim period as defined by IAS 34 "Interim Financial Reporting".
